What is Therapeutic Family Services?

Therapeutic Family Services (TFS) offers individual counselling to children, young people and adults who have experienced abuse and/ or trauma and provide out reach services to children and families who live in supported housing programmes. TFS programmes include:

- ☞ Trauma Assessment and Treatment Service;
- ☞ Child Sexual Abuse Therapeutic Service;
- ☞ Support and Counselling Service.

Client Files

All TFS clinicians are required to keep a record of each session attended and any other relevant information regarding your treatment. This information is kept in your personal client file which is held in a locked secure place within the TFS office you attend.

At any time you may request:

- ☞ To have access to your file by writing to Parkerville Children and Youth Care's Chief Executive;
- ☞ To know where your personal information is being held and how long it will be held for;
- ☞ To correct in writing any information you may feel is inaccurate;
- ☞ To know which organisations have/ will be given your personal information.

Confidentiality

Everything you discuss with your clinician is confidential and will not be disclosed without your written consent. Your clinician/ case manager has an ethical responsibility to maintain confidentiality.

In the following specific circumstances, however, your clinician may be required to disclose information without your consent:

- ☞ If there is a risk of harm to yourself or others; or
- ☞ If a court of law subpoenas TFS to supply information about you.

In the event of these circumstances, your clinician will make every effort to discuss with you any disclosure of information prior to releasing the information.
