

Gift in Wills Program Information Pack

Thank you

for considering leaving a gift in your Will to
Parkerville Children and Youth Care.

This is a brief introduction to the Parkerville
Gift in Wills program, however, we encourage
you to seek legal advice and to consider
your family and loved ones when writing
your will.

How Your Gift Can Make a Difference

When it comes to how you would like your donation to be used, the choice is yours. If you would like to discuss the use for your gift, please contact us so that we can help to ensure that your wishes are possible and are implemented. Alternatively, you can choose to leave it to the discretion of Parkerville to direct your gift to where it is needed most.

Whatever area your gift supports, you can be proud knowing that you will be making a lasting contribution, advocating for and providing specialist care and services to children, young people and families well into the future.

Our Promise to You

We Promise to be Genuine

You can trust that your donation will be used to provide vital services to children, young people and their families who have experienced trauma from abuse.

We Promise to be Transparent

Your contributions will be used carefully and cost-effectively to provide support where there is the greatest need, unless otherwise directed by you.

We Promise to be Appreciative

We don't take your support for granted. We will thank you and remember you for your enduring support.

We Promise to be Protective

Your correspondence and information is treated in the strictest confidence, and your decision to leave a gift in your Will, will be kept confidential unless you say otherwise.

We Promise to be Respectful

You and your gift will always be treated with sensitivity and respect. If circumstances and priorities change over the years and it's not possible to follow your wishes, Parkerville will consult with your Executor or family and use your gift for the most relevant related purpose.

Types of Gifts

You can make different types of gifts in your Will to Parkerville including:

- **A residuary gift** – what is left of your estate once all other gifts and costs have been paid
- **A pecuniary gift** – a gift of a specific amount
- **A percentage gift** – a specific proportion of your estate
- **A gift of assets** – gifts of assets such as shares, property or real estate

Unspecified / Specified Gifts

An unspecified gift, because of its flexibility, allows the Parkerville to meet the changing needs of the future. If you request that your gift is used for a different purpose, Parkerville will make every effort to respect your wishes. If circumstances and priorities change over the years and it's not possible to follow your wishes, Parkerville will consult with your Executor or family and use your gift for the most relevant related purpose.
